

| Reference    | Qty (Board) | Description            | Manufacturer      | Manufacturer Part Number | DigiKey Part Number     | Vendor  | Unit Price (\$) | Order Qty | Component Price (\$) | Notes                  |
|--------------|-------------|------------------------|-------------------|--------------------------|-------------------------|---------|-----------------|-----------|----------------------|------------------------|
| U4           | 1           | Microcontroller        | Microchip         | PIC18F57Q43-I/PT         | PIC18F57Q43-I/PT-ND     | DigiKey | 1.94            | 3         | 5.82                 | Main MCU               |
| U1           | 1           | Humidity Sensor        | Microchip         | SHTC3-TR-10KS            | 1649-SHTC3-TR-10KSCT-ND | DigiKey | 1.91            | 5         | 9.55                 | I2C temperature sensor |
| U2           | 1           | Buck Regulator         | Texas Instruments | LM2595S-3.3/NOPB         | LM2595S-3.3/NOPB-ND     | DigiKey | 5.35            | 2         | 10.7                 | Power supply           |
| U3           | 1           | LDO Regulator          | AMS               | AMS1117-3.3              | AMS1117-3.3-ND          | DigiKey | 0.4             | 3         | 1.2                  | 3.3V regulation        |
| C1-C3        | 3           | 0.1uF Capacitor        | Murata            | GRM188R71H104KA93D       | 490-1524-1-ND           | DigiKey | 0.1             | 20        | 2                    | Decoupling capacitors  |
| C4-C9        | 6           | 10uF Capacitor         | Murata            | GRM188R61E106KA73D       | 490-3896-1-ND           | DigiKey | 0.2             | 20        | 4                    | Bulk filtering         |
| R1-R7        | 7           | 10k Resistor           | Yageo             | AC0603FR-7W10KL          | AC0603FR-7W10KL-ND      | DigiKey | 0.22            | 20        | 4.4                  | Pullups/bias           |
| R8           | 1           | 4.7k Resistor          | Yageo             | RC0603FR-074K7L          | 311-4.7KHRCT-ND         | DigiKey | 0.1             | 10        | 1                    | I2C pull-up            |
| R3           | 1           | 330 Resistor           | Yageo             | RC0603FR-07330RL         | 311-330HRCT-ND          | DigiKey | 0.1             | 10        | 1                    | LED resistor           |
| D1-D2        | 2           | Indicator LED          | Lite-On           | LTST-C190KRKT            | 160-1436-1-ND           | DigiKey | 0.25            | 6         | 1.5                  | Status LEDs            |
| L1           | 1           | Power Inductor         | Bourns            | SRN6045-330M             | SRN6045-330MCT-ND       | DigiKey | 0.9             | 3         | 2.7                  | Switching regulator    |
| F1           | 1           | Resettable Fuse        | Littelfuse        | MF-MSMF050               | MF-MSMF050-ND           | DigiKey | 0.4             | 3         | 1.2                  | Power protection       |
| J1           | 1           | JST PH 2-pin Connector | JST               | B2B-PH-SM4-TB            | 455-1704-1-ND           | DigiKey | 0.4             | 3         | 1.2                  | Power connector        |
| J2           | 1           | JST PH 4-pin Connector | JST               | B4B-PH-SM4-TB            | 455-1712-1-ND           | DigiKey | 0.5             | 3         | 1.5                  | I2C connector          |
| J3           | 1           | Header 1x4             | Samtec            | TSW-104-07-G-S           | SAM1014-04-ND           | DigiKey | 0.6             | 4         | 2.4                  | UART header            |
| J5,J6        | 2           | Header 1x8             | Samtec            | TSW-108-07-G-S           | SAM1014-08-ND           | DigiKey | 0.8             | 4         | 3.2                  | Expansion headers      |
| JP1-JP2      | 2           | Jumper Header          | Sullins           | PEC02SAAN                | S1011EC-02-ND           | DigiKey | 0.3             | 6         | 1.8                  | Configuration          |
| SW1          | 1           | Tactile Switch         | C&K               | PTS645SM43SMTR92         | CKN9082CT-ND            | DigiKey | 0.5             | 3         | 1.5                  | Reset button           |
| TP1-TP5      | 5           | Test Points            | Harwin            | S2751-46R                | S2751-46R-ND            | DigiKey | 0.25            | 10        | 2.5                  | Debug test points      |
| Total Price: |             |                        |                   |                          |                         |         |                 |           | 59.17                |                        |
